サイン会

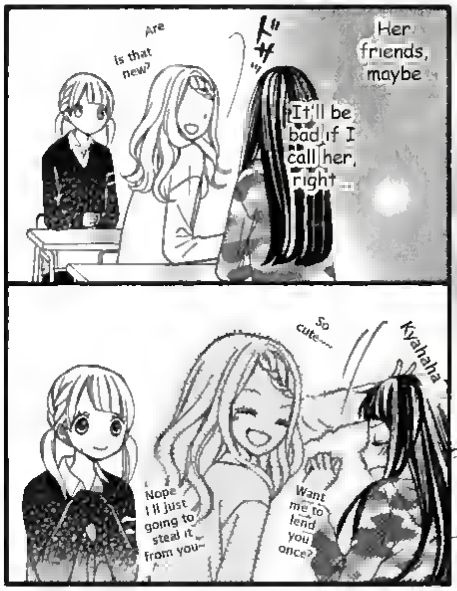
前巻でサイン会やるよと言ってたのですが、この巻ができるまでに計3回やらせていただきました!! ✿

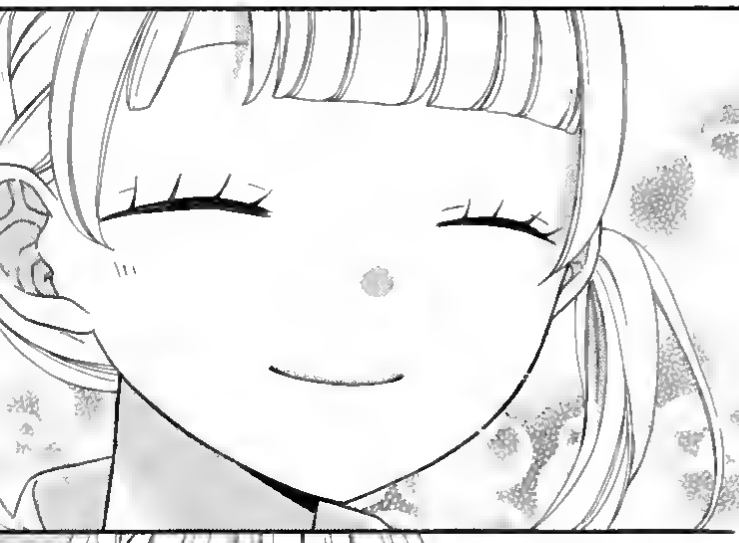
すごく毎回緊張するのですが、読者さんと直接会えるのやっぱりとってもうれしいです! 小中学生の子が多くてかわいいなぁというのと同い年くらいの方にも読んでもらえてたりしてすごく幸せです✿

ちゃんと届いてるんだなーとありがたい気もちでいっぱいです!!

好きなキャラも、けっこうやや派の子もいてうれしいです♡

Being alone in the class
is the same with in the hell, after all
1 - 1
Ah
It's that girl's class
Just a little
Konno-san





...Are

Some-how,

the atmosphere becomes different...?

You're from back then!
Did you come for me?
たたっ
ばっ
ち
Ah
I was only peeking a little,
to see if you're here or not...
I'm so happy!

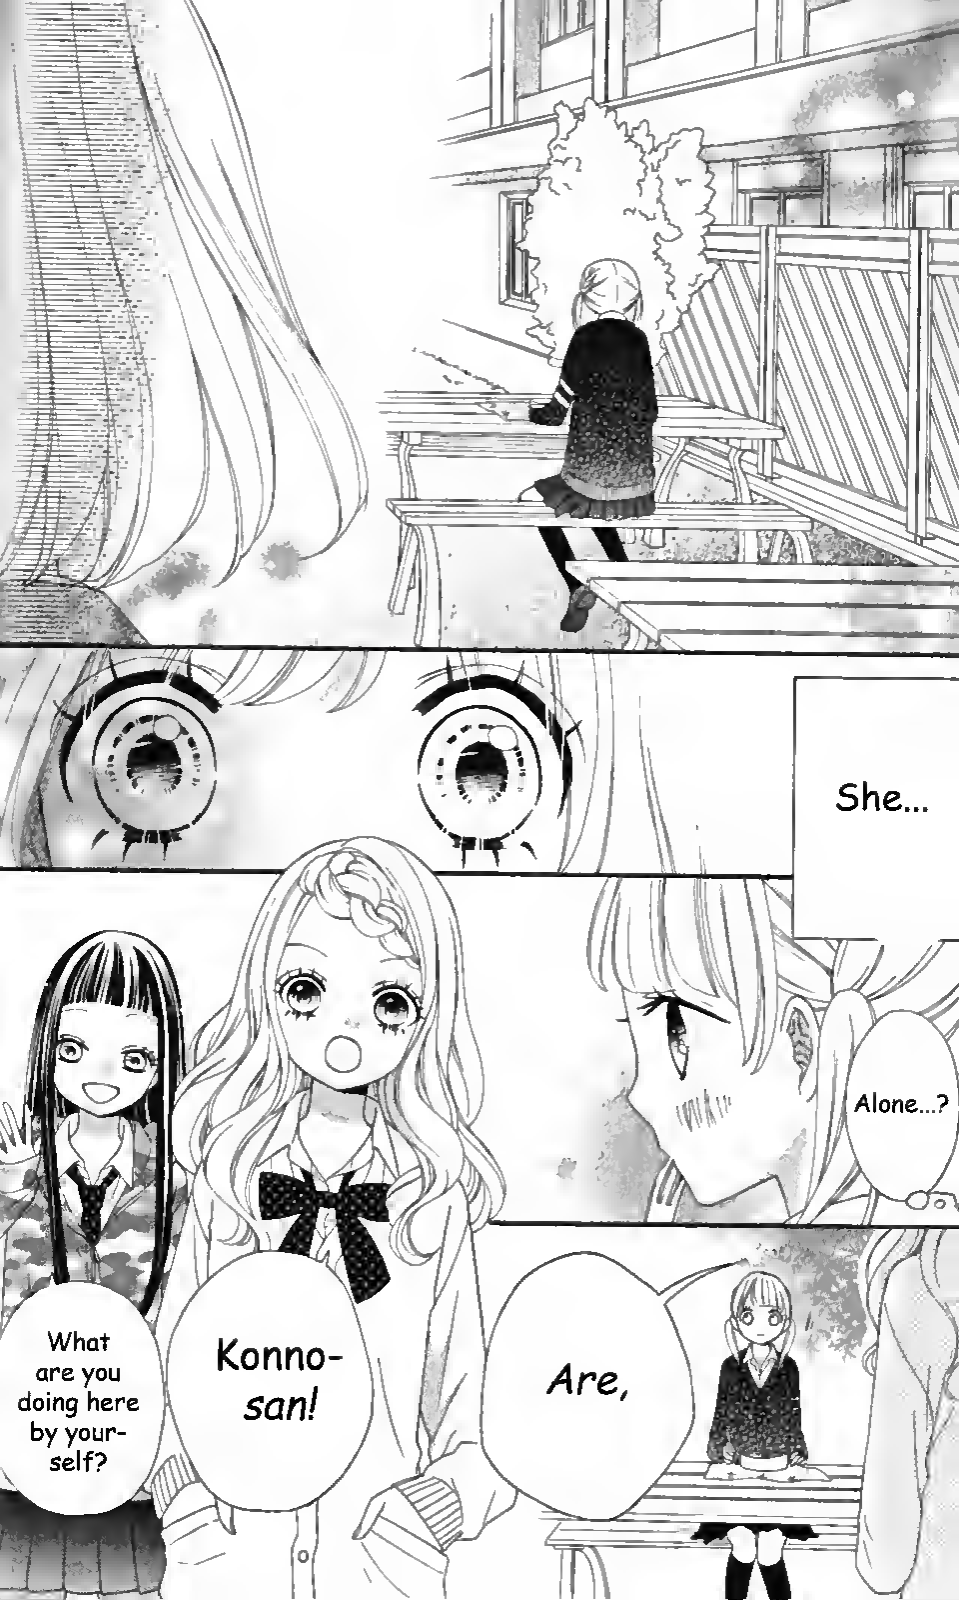
Ah,
it's okay,
It seems I've interrupted your talk with your friend, sorry
hehe
I want to talk with you, after all!
They've been only them
who want to make friend with Yuyu
and come gathering around her
"A friend"
"Happy",
she said

I wonder
if we can be friend like that
Really?
I also like that brand too~
who comes only because she wants to talk with me
Kyahaha
And you see, this cat video is very cute ♡
Eeh~
Let me see, let me see!
Wow~!
So cuute~
Ahahaha

...It's hard being here
It feels like they are making it hard me for me
By the way, it'll be mid-test soon, right?
...Nee~ Nee~
Shioka-kun, let's have a study group with us ♡
Our group's boys and us three girls ♡
Nice idea!
Seems fun~
Don't decide it on your own
Eh,

Three girls
Kuriyama-san...
She isn't included?
She's our group member too
...Nana-chan is-
I'm fine!
Please don't be bothered about me
I'm going to eat outside
...It's okay

said that she wanted to be alone
Eh
Did something happen between you girls again?
You girls are
No-thing~~
...Nana-chan
No matter how it's unpleasant
or scary
I'll never return to them
It's okay...



She...
Alone...?
Are,
Konno-san!
What are you doing here by yourself?

Don't tell me, you're eating lunch alone!?
Eh...
Why, why!?
Don't you feel lonely?
Ah...
ng?
But acctually,
you ever soid thot you were olwoys eating with girl from onother closs, didn't you
...
eto
Eh,
Don't tell me, that was a lie?

O-
Omatase, Konno-san...!!
I'm always calling you here
Sorry,

Eh,
she's there
Sorry for intruding you guys~
We've mis-understood, so embarrassing~!
We were too quicly assuming things,
We're really sorry!!
No it's okay
I entered without thinking,
I wonder if that was okay...
If she's actually coming
Arigatou

hehe
I'm... a loner...
You heard it, right?
I... see
That's why,
Today it's the first time I met a girl with the same liking as me, I'm so happy
In my class, there are so many flashy girls
I'm plain so I can't enter the conversations
By that, I became alone
*Love Story Special Edition

And I was hoping if only you're a loner too
By then, I hoped you can be my friend
I was thinking such a mean thing
I'm so sorry!

But,
I'm so happy is the true...
Saying that she was thinking a mean thing
...Me too
Even though if only she didn't tell me,
I would never know

Many things happened,
ond I'm olone now
But just like her,
since the beginning is telling everything of her
Becouse she is there
I also don't like being alone
Rother thon being soid "I'm fine olone",
It maybe more like I'm fine with just anyone...

Yoroshiku onegaishimasu!
I want to face her honestly
I'm
from class 1-3, Kuriyama Nana
But now the one I want to be friend with is you, Konno-san
Just like this,

I'm
Himari you know
What's this, so embrassing~
Himari... chan
Nana-chan
pft

Not because alone is unpleasant or because it's convinient,
but because we ourselves want to be with each other
I'm sure
we can be friends like that
